

Block 2

Thank you for your participation in our study! Please optionally complete this 2 minute survey to help us to improve future studies and help us understand any potentially missed information!

Block 1

What aspects of the study do you think should be improved or adjusted? Why?

Do you have any additional suggestions for improving the overall study design or process?

What aspects of the study did you enjoy or dislike the most, and why?

Is there anything further about your overall experience using CGTs or the Internet to complete coding tasks that you want to share?
